This matter comes before the Public Service Commission of South Carolina (the Commission) on a Staff request to modify the Payphone Service Provider (PSP) Guidelines to change the annual reporting requirement period and due date. Staff states that the reporting period should change from a June 30 ending date to a December 31 ending date. Also, the due date for the report should change from October 1 to April 1. We note that these changes would make the dates for PSP reporting consistent with reporting dates used for other financial data at the Commission. We therefore approve the modifications to the Guidelines as requested.
